

DEVIES ADE IRAWAN

Junior Programmer | Web Development

@ deviesade@gmail.com <https://www.linkedin.com/in/deviesade/> <https://github.com/deviesAde>
📍 Banyuwangi, Indonesia

SUMMARY

Computer Science student at the University of Jember with solid expertise in Laravel and a growing interest in modern backend technologies. Skilled in building web applications using Laravel and currently expanding knowledge in React and machine learning fundamentals. Eager to collaborate on tech projects to contribute, learn, and deepen hands-on experience in full-stack development and deployment.

EXPERIENCE

Research Assistant

Software Engineering Laboratory – University of Jember

📅 2024 - Present 📍 Jember, Indonesia

Research & Development

- Assisting in software development and research projects within the Software Engineering Laboratory.
- Contributing to the design, coding, and testing of applications developed by the lab.
- Collaborating with fellow students and faculty members to support system development and technical documentation.

Student

Jember University

📅 08/2023 - Present 📍 Jember, Indonesia

Learning Experience Jember University

- Developing **mobile applications using React Native**, focusing on building responsive and cross-platform user interfaces.
- Studying the fundamentals of **machine learning**, including data preprocessing, model training, and evaluation using real-world datasets.
- Exploring **graph theory and discrete mathematics** to enhance understanding of algorithms, data structures, and problem-solving logic in computer science.

Student

SMK TELKOM MALANG

📅 04/2020 - 05/2023 📍 Malang, Indonesia

Learning Experience SMK Telkom Malang

- Developed a **Laundry Web Application** using PHP as part of the school's final competency assessment (UKL).
- Built an **Online Game Top-Up Website** with PHP for daily coursework and practice in web development.
- Created a **Point of Sale (POS) System for a Café** using the Laravel framework as part of the final skills exam (UKK), focusing on user-friendly design and transaction management.

Intern

PT TELKOM AKSES KEDIRI

📅 05/2022 - 11/2022 📍 Kediri, Indonesia

intern at PT Telkom Akses Kediri

- Compiled and managed employee data for accurate database entry and maintenance.
- Developed a **PHP-based web application** to convert and export data into Excel format, improving data processing efficiency.

EDUCATION

Informatics

Universitas Jember

📅 08/2023 - Present 📍 Banyuwangi, Indonesia

Informatics

SMK TELKOM MALANG

📅 01/2021 - 01/2023 📍 Malang, Indonesia

SKILLS

CSS	Figma	HTML	Java
JavaScript	Laravel	React	Next.js
TypeScript	PHP	Node.js	

CERTIFICATE

MTA: Introduction to Programming Using HTML and CSS

Microsoft

Issued: December 2021

Credential ID: ynEB-uTYP

Information Technology Specialist in JavaScript

Certiport - A Pearson VUE Business

Issued: December 2022

Credential ID: ry8W-uSrG

Indonesian Language Proficiency Test

Language Development and Fostering Agency

Issued: February 2023

Credential ID: SD-BB-0271595

UKK Laravel Blade

DOT Indonesia

Issued: April 2023

Credential ID: UKK.29.256
